

Corning® Matrigel® Matrix *Available Now*

35+ years of breakthrough discoveries. 13,000+ Citations. The Original and Best.

Corning Matrigel matrix has been a lab staple for over 35 years – used in essential applications to cutting-edge life-changing research. We look forward to seeing what's next for this time-tested breakthrough – a solution that's more widely used today than ever.

To support the ever-growing popularity of Matrigel matrix across many applications, Corning has significantly increased the quantity of Matrigel matrix produced, while maintaining our commitment to rigorous manufacturing processes and delivering the same quality product you have come to expect from Corning.

Recent Updates to Matrigel Matrix

- Availability in 4 weeks or less from date of order placement*
- Lead time and ship by dates available by product catalog number at vwr.com/corning.

*Orders with specific product requirements may be subject to longer lead times.

Quality You Count On

- #1 Referenced ECM in cancer research, stem cell biology, organoid culture, and 3D cell cultures
- 13,000+ Citations on PubMed
- Over 35+ years as a lab essential
- Robust functional and pathological testing including multiple LDEV testing checkpoints
- Wide selection of Matrigel matrix types to meet different application needs
- Extensive complementary product portfolio including liquid handling, media, sera, 2D and 3D Corning cultureware

Service and Expertise You Expect

- Worldwide distribution and customer service
- Expert scientific support
- Wide selection of technical and support literature available on www.corning.com/lifesciences:
 - E-books
 - Protocols and Guides
 - Application Notes
 - Video Tutorials

Corning® Matrigel® Matrix Products and Their Applications

Corning Matrigel Matrix	Type	VWR Cat. No.	Corning Cat. No.	Size	Applications
Standard Corning Matrigel Matrix	Phenol red	47743-706	356234	5 mL	General cell culture
		47743-715	354234	10 mL	
	Phenol red-free	47743-716	356237	10 mL	General cell culture: Assays that require color detection (e.g., fluorescence)
	Growth Factor Reduced (GFR)	47743-718	356230	5 mL	General cell culture: The GFR product is useful for applications that benefit from a more highly defined basement preparation
		47743-720	354230	10 mL	
	GFR, phenol red-free	47743-722	356231	10 mL	General cell culture
High Concentration Corning Matrigel Matrix	Phenol red	47747-220	354248	10 mL	<i>In vivo</i> applications: Tumor formation, Corning Matrigel matrix plug assay, angiogenesis, general cell culture
	Phenol red-free	80094-328	354262	10 mL	
	GFR, phenol red	80094-330	354263	10 mL	
hESC-qualified Corning Matrigel Matrix	Phenol-red	BD354277	354277	5 mL	hESC culture, hiPSC culture
Corning Matrigel Matrix for Organoid Culture	Phenol red-free	76332-052	356255	10 mL	Organoid culture and differentiation
