

Lab Start-Up Promos

2025

Your perfect lab begins here. We help you build and stock the lab you deserve.

Build | Renovate | Expand | Move | Supply

PROMO CODE 6224 (Expires 6/30/2025)

Made for the way you work

CORE PIPETTE AND FUME HOOD SUPPLY CART
FREE SIX-SLOT PIPETTE HOLDER WITH CART PURCHASE (UP TO \$135 VALUE)

- Six slots for serological pipettes
- Side dispensers for gloves and Kimwipes™
- Two full-extension drawers fit 50 ml conical centrifuge tubes
- Low-profile design fits under 27" fume hoods

Organize your lab in style with TrippNT's sleek Core Pipette and Fume Hood Supply Cart. This space-saving cart keeps everything in its place, with drawers, shelves and slots designed for pipettes, gloves and more. It is constructed from a corrosion-resistant non-metal rust-proof polymer, with robust 3" casters for rolling and storing under fume hoods and biosafety cabinets.

ELGA LabWater

Dedicated to discovery

ELGA PURELAB® WATER PURIFICATION SYSTEMS

PURCHASE AN ELGA SYSTEM AND RECEIVE UP TO \$5000 OF FREE PRODUCTS AND BENEFITS

- Customized service and support when you need it
- Dedication to designing the right solution for your needs
- Provides your lab with a reliable water source
- First set of cartridges included
- 2-year warranty included
- \$500 (for Quest and flex) or \$1500 (for all Chorus systems) towards your next purchase of consumables
- Includes an annual service visit to check on the system

ELGA has been a trusted name in water purification for over 80 years, providing water quality ideal for clinical, research, laboratory and other applications with high purity requirements. Our pure and ultrapure water purification systems are customized to the needs of your lab, offering from a few liters up to thousands of liters of water per day. ELGA's commitment to development and to providing you with pure water means that you can focus on obtaining accurate and reliable results. Our products are innovative, sustainable and dependable.

BIORTUS

BUY 3
PROTEINS,
GET 1 FREE

Functionally assessed and structure enabling

For screening, proof-of-concept
and mechanism-of-action studies

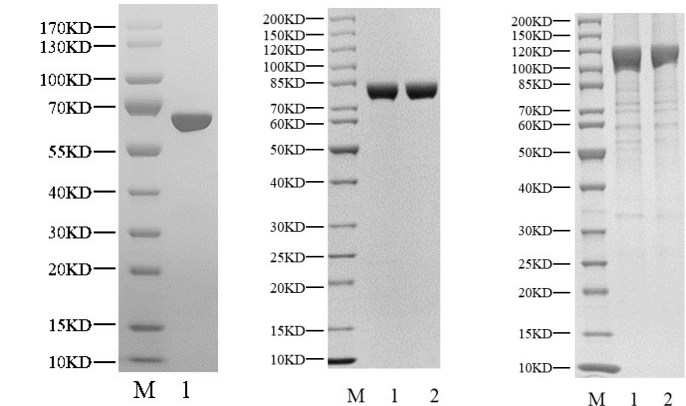

BUY 3 PROTEINS AND GET 1 FREE
(SELECT FREE ITEM FROM THE QUALIFYING ITEMS BELOW)

Catalog families:

- Membrane proteins (SLCs, GPCRs, ion channels, etc.)
- DUBs (for which Biortus is currently the largest supplier on VWR)
- E1/E2/E3 ligases
- CDKs
- Transcription factors
- RAS and kinases
- Custom formulation and tag requests
- Expanded offerings every quarter

PROMO CODE 6239 (Expires 6/30/2025)

FREE GIFT
BASKET PLUS
SAVINGS!

Cytiva life science consumables and filtration products

START YOUR LAB OFF RIGHT WITH A FREE CYTIVA GIFT BASKET

Talk to your Avantor Life Science Specialist for a six-month quote to save 20% off Cytiva list prices on research-grade core consumable products and 10% off Cytiva list prices on chromatography columns and resins.

Choose from our trusted brands:

- Sera-Mag™
- HyClone™
- Whatman™
- Amersham™

Cytiva brings speed, efficiency and capacity to research and manufacturing, ultimately enabling the delivery of transformative medicines to patients. Explore our diverse portfolio that supports fundamental research across life sciences and save on consumable products in our protein workflow as you get your lab started, including products for isolation and sequencing, cell culture, sample preparation, protein purification and protein analysis.

Qualifying products include Cytiva research-grade core consumables only. Custom products, Biacore™ consumables and instrumentation are not eligible for the discount. Other exclusions may apply. Free welcome basket with sample products of lab filtration essentials is available while supplies last. Follow instructions for redemption (page 16) to get your welcome basket. Discount requires a quote.

Stock your new lab with everything you need from VWR and receive a high-quality lab item or a new smart device!

There are three levels of rewards.

REDEMPTION INSTRUCTIONS FOR MONEY-SAVING OFFERS

Please follow the instructions below to redeem offers.

1. Order products from Avantor between January 1 and June 30, 2025, by visiting avantorsciences.com, calling 1-800-932-5000 or contacting your Avantor Sales Representative.
2. To redeem offers and obtain free items, have your Avantor invoice, packing slip or purchase order ready, go to avantorsciences.com/labsetup and submit an online redemption form for each promo code. All online redemption forms must be received by July 15, 2025.
3. When redeeming offers with more than one option, indicate your free product selection.

Free products will be shipped separately from your order to one location, following submission of redemption request and proof of purchase to Avantor Promotions. You may redeem more than one offer featured in this Lab Set-Up Promotional Guide. Any specific promotion restrictions are listed under each promotion. The value of all free products for dollar match promotions will be based on Avantor list price.

Allow up to 8 weeks for delivery of FREE items.

For full promotional terms and conditions, visit avantorsciences.com/promotions and select Term & Conditions from the menu on the left.

REDEMPTION INSTRUCTIONS FOR MONEY-SAVING OFFERS

LAB START-UP PROMOTIONS

Please follow the instructions below to redeem offers.

1. Order products from Avantor between January 1, 2025, and the promotion deadline by visiting [avantorsciences.com](https://www.avantorsciences.com), calling **1-800-932-5000** or contacting your Avantor Sales Representative. Promotional part numbers must be used at the time of purchase and may be ordered via the "ORDER ENTRY" link at [avantorsciences.com](https://www.avantorsciences.com) (Promotional part numbers cannot be found via search of [avantorsciences.com](https://www.avantorsciences.com)). The value of all free products will be calculated at the Avantor list price.
2. To redeem offers and obtain free items, have your Avantor invoices, packing slip, or purchase order ready and click the "New Lab Start-Up" link in the footer on [avantorsciences.com](https://www.avantorsciences.com). Complete the online redemption form for each promo code. All online redemption forms must be received no later than one month after the last day of the promotion.
3. When redeeming offers with more than one product choice, indicate your selection. The value of all free products will be calculated at the Avantor list price.

Submit redemption request and proof of purchase at <https://www.avantorsciences.com/us/en/support/promotions>. Free products will be shipped separately from your order to one location following submission.

For full promotional terms and conditions, visit [avantorsciences.com/promotions](https://www.avantorsciences.com/promotions) and select **Term & Conditions**.
